This warranty applies only to units installed in owner-occupied residences. Units installed in buildings other than owner-occupied residences are separately warranted in either MRCOOL's Multi-Family Residence Warranty (if installed in a multi-family residence not occupied by the owner) or MRCOOL's Commercial Warranty (if installed in a non-residential building). For a copy of either the Multi-Family Residence Warranty or the Commercial Warranty, visit www.mrcool.com.

The unit models listed above, if installed in owner-occupied residences, are warranted by "MRCOOL" against defects in materials and workmanship under normal use and maintenance, as provided below:

To the original registered owner, MRCOOL provides a non-transferable warranty period of five (5) years on the compressor and five (5) years on all parts to the original end user. **An additional five (5) years limited warranty coverage on all parts and compressor is provided to the original end user when the product is registered online within 60 days of installation given the following conditions and limitations:**

This warranty does not continue after the unit is removed from the location where it was originally installed.

This warranty DOES NOT apply to, and no warranty is offered by MRCOOL on any unit that IS NOT purchased from an authorized dealer and installed with adherence to all applicable federal, state, and local codes, policies and licensing requirements.

The 5 year warranty period does not apply to any unit that is installed with a used and/or unapproved condenser / air handler. In such a case, this warranty in its entirety defaults to a period of **1 YEAR**.

The warranty period begins on the date of the original installation. If that date cannot be verified, the warranty period begins three months after the month of purchase.

As its only responsibility, and your only remedy, MRCOOL will furnish a replacement part, without charge for the part only, to replace any part that is found to be defective due to workmanship or materials under normal use and maintenance. For warranty credit, the defective part must be returned to a MRCOOL heating and air conditioning products distributor by a state or province certified or licensed contractor. Any part replaced pursuant to this warranty is warranted only for the unexpired portion of the warranty term applying to the original part.

This warranty does not apply to labor, freight, or any other cost associated with the service, repair or operation of the unit. MRCOOL will not pay for electricity or fuel costs, or increases in electricity or fuel costs, for any reason, including additional or unusual use of supplemental electric heat. This warranty does not cover lodging or labor charges. This warranty does not cover refrigerant.

2. Damage as a result of floods, fires, winds, lightning, accidents, corrosive atmosphere or other conditions beyond the control of MRCOOL.
3. Damage or repairs required as a result of the use of components or accessories not compatible with this unit.
